*Care With Compassion*

## **Request for Support for the OBKP Summer Garden Party**

March 1, 2010

To the Greater Victoria Businesses and members of our community:

While summer in Victoria is a time for rest and nature it is also a time to celebrate life and community. The Oak Bay Kiwanis Pavilion will be hosting a Summer Garden Party on August 15 and is requesting your support.

The “ by-donation” event will be held at the home of the Pavilion, 3034 Cedar Hill Road and is open to all. We are hosting a special day that includes auctions, food, games, live entertainment and a celebration of summer in a spectacular garden setting. The event will also increase awareness of Pavilion programs that provide services to senior members of the community requiring complex care and their families.

We ask for your donation of a cash contribution or donation of an item that we can use in our auction. For a donation with a cash value of \$100 or more, we will offer you or your company recognition on all invitations and marketing materials used to promote the Garden Party, acknowledgement on the Pavilion and Foundation websites and promotion of your products and services at the event.

The Kiwanis Pavilion is owned and operated by the Kiwanis Club of Oak Bay through the Oak Bay Kiwanis Health Care Society. It provides care through all stages of dementia, from the earliest to the most advanced. Since its launch in 1982 as a seniors care facility, the role of the Pavilion has changed considerably. It has adapted and grown with the challenge of caring for seniors with dementia, surrounding them with understanding and love.
